GUIDED SNORKELING TOURS

Swimming Pigs. Sandy Toes, Rose Island.

And Only 25 minutes from Nassau/Paradise Island!

The Bahamas Swimming Pigs are quite well known in the beautiful islands, and you may have thought you had to travel so far to see them; Not anymore! Sandy Toes is home to a sanctuary of protected wildlife including our Royal Peacocks, curly tail lizards, ocean reef life and our beloved "farm-saved" beach-going, swimming pigs!

Meet Babe, Wilbur, Pumba, Larry, Curly, Mo, Ginger, Pepper, and Spice our 9 awesome Rose Island piggies! These big guys, and some little guys, are vet-checked and royally cared for on a scheduled basis, and only given the cleanest diets served with plenty of love, sunshine, and sunscreen (yes, sunscreen!) With tons of space to run around, the ocean next door to take a dip in, and a protected and shaded paddock to call their own, they're living the dream on Rose Island! Come see for yourself on our Full Day Excursion! An included, but totally optional activity, as we are sooo much more than just swimming pigs!

Private Events & Incentive

GROUPS

Looking for the ideal spot where every member of your group can have a good time? Although you may work together, have a family function, or belong to an incentive market, groups are usually comprised of very diverse individuals, all liking and wanting different things. It's often difficult for group organizers to find venues that will appeal to the majority of the members of their groups so whether big or small, detailed or simple, Sandy Toes has so much to offer you.
